

Church 7

Our 2015 Statistics

Nearly all of the 2 million Christians in Iran have never entered a church of any kind. But today we have over 400 underground house churches in over 90 cities inside this "closed" country. Through media Church 7, every home will be transformed to a living church.

The Gospel Is Transforming Lives

"I was so overwhelmed by the stresses of life and my addiction that I decided to kill myself and my four children. I came across your TV program, and the person on the screen said, 'You, who are tired of your life and your addiction and want to end life, the Lord loves you and has paid the price for your sin.' I fell to the floor and surrendered my life to Christ. I am now freed of my addiction and serve the Lord with my family."

.... Message to our Partners

God has used your generous financial partnership with Iran Alive Ministries in 2015 to develop and grow the underground church network in Iran. We appreciate your carefulness about where you invest God's money. We are careful too. We take every donation (big or small) seriously, knowing it is both a blessing from God and a sacrifice from the donor. Two years ago, wanting to improve our financial transparency, we applied and were approved by the ECFA. Now you can go to www.ecfa.com and investigate how we continually meet their strict standards for responsible stewardship.

*"We need to treat every donation
as the widow's mite. Like her gift,
every donation is a sacrifice
on the part of the donor."*

~ Dr. Hormoz Shariat
